Bringing You the Ultimate Media Resource for Teachers

More than 182,000 cross-curricular media resources (and growing!)

Features Include:

✓ Vetted, safe, ad-free content

✓ Available 24/7—on-site or remote access; tablet- and mobile-friendly

✓ Correlated to **TEKS** as well as 21st Century Skills

✓ New, diverse content added regularly

✓ Browse and filter entire site by grade ranges

✓ Captions and searchable, interactive transcripts for thousands of titles

✓ Dynamic citations: MLA, APA & Chicago, with EasyBib, NoodleTools, and RefWorks export functionality

✓ Create and share playlists—use premade clips, full videos, or custom segments to engage students

✓ NEW! Quiz Tool increases student engagement and assesses progress

✓ Add videos to lesson plans and download content for use in leading presentation software

✓ Add a personalized video introduction to any playlist you create to provide an overview or give context to the videos in the playlist—perfect for distance learning and flipped classrooms!

✓ Add your own Custom Content or external video content from educational Web Channels

✓ Monthly calendar for research suggestions & ideas

✓ Public performance rights

✓ Share to Google Classroom, plus Class Sync and Assignment creation tools

✓ Google Translate on all descriptions, transcripts, and navigation

✓ Searchable Support Center with live chat help

IT'S NOT JUST VIDEOS!

Engage Students. Enhance Lessons. Increase Learning.

Save time and avoid the hassle of scouring the Internet for videos or other content to enhance lessons. Use *Learn360*, a vetted, easy-to-use media library that is correlated to standards, organized for educators, and full of K–12 content from the industry's top producers.

And *Learn360* includes a wide range of exciting content and features that make it a powerful tool for flipped classrooms, blended instruction, project-based learning, and 1:1 environments.
